linkedin.com/in/roshani-shukla-b1b781380

PROFILE

Information Technology student focused on **Software Development** and **Data Structures & Algorithms**. Interested in building practical web-based solutions and strengthening problem-solving skills through consistent coding practice. Currently working with Java, C, C++, HTML, CSS, JavaScript, DBMS, and DSA, with a strong interest in collaborative technical projects and continuous learning.

EDUCATION

RCPIT, Shirpur *2025 – Present*

B.Tech in Information Technology **CGPA: 8.45**

Gram Vikas Vidyalaya

HSC **81.50%**

SSC **92.60%**

TECHNICAL SKILLS

Languages	Java, C, C++
Web Development	HTML, CSS, JavaScript
Core Areas	Data Structures & Algorithms, Problem Solving

PROJECTS

Research Paper Repository *Ongoing*

- Developing a web-based platform for organizing and accessing research papers in a structured manner.
- Applying web development concepts to create an accessible and user-friendly research resource.
- Working collaboratively on the development of the project and gaining practical experience in software development.

PROBLEM SOLVING

CodeChef **1000+ Problems Solved**

- Practicing programming problems to strengthen logical thinking, algorithmic reasoning, and implementation skills.
- Consistently developing problem-solving ability through competitive programming practice.

AREAS OF INTEREST

- Software Development
- Web Development
- Data Structures & Algorithms
- Competitive Programming
